Independent Auditor's Report

To the Board of Directors of the
Amazon Conservation Association and Affiliate
Washington, D.C.

We have audited the accompanying consolidated financial statements of the Amazon Conservation Association ("ACA") (a nonprofit organization) and its affiliate, the Asociacion para la Conservacion del la Cuenca Amazonica ("ACCA"), which comprise the consolidated statements of financial position as of December 31, 2015 and 2014, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We did not audit the financial statements of ACCA, an affiliated entity of ACA under common control and management, whose statements reflect total assets of \$2,080,139 and \$2,468,447 as of December 31, 2015 and 2014, respectively, and total revenue and support of \$2,920,011 and \$3,040,839, for the years ended. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for ACCA, is based solely on the report of the other auditors. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

Amazon Conservation Association and Affiliate
Independent Auditor's Report
Page Two

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, based on our audits and the reports of other auditors, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Amazon Conservation Association and affiliate as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Jane Maruca & M^oQuade PA

**AMAZON CONSERVATION ASSOCIATION AND AFFILIATE
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014**

NOTE A – NATURE OF ORGANIZATION

The Amazon Conservation Association (“ACA”) was incorporated as a non-profit organization on December 27, 1999, in the District of Columbia. Its mission is to conserve the biological diversity of the Amazon Basin. This mission is accomplished through the implementation of field-based scientific and socio-economic programs that integrate research with natural resource management, conservation, training, education, and policy development to foster the sustainable use of natural resources, healthy local communities, ecological understanding, and habitat protection. These activities are funded primarily through contributions and grants from foundations and individuals.

The Asociación para la Conservación de la Cuenca Amazónica (“ACCA”) is a non-profit organization incorporated under the laws of Peru, also founded in December 1999. ACCA works with ACA toward the achievement of ACA’s organizational goals and objectives in Peru. ACA’s president and vice president serve on ACCA’s Board of Directors, and another ACCA Board member is a non-officer ACA Board member. ACCA’s programs are largely funded through contributions received from ACA plus a number of grants it has obtained directly.

Program Services

Protecting Habitat – ACA protects vital ecosystems by creating and managing conservation areas, including conservation areas managed by local, regional and national governments in Peru and Bolivia as well as alternative conservation areas, such as community or civil society-managed conservation concessions. ACA also promotes ecosystem-based land-use planning, and developing and supporting the creation of conservation corridors. ACA currently protects nearly one million acres of Amazonian rainforest through these mechanisms.

For example, in 2001, ACA established Los Amigos, the world’s first private conservation concession, which protects 360,000 acres of old-growth Amazonian forest at the base of the Andes in southeastern Peru. Then, in 2008, ACA, in collaboration with the Amazonian Haramba Queros native community, established the first conservation concession in Peru run by an indigenous community. In 2012, ACA supported the creation of four new community-run private conservation areas covering more than 46,700 acres, and is helping to train these communities to patrol and monitor their reserves.

Science and Education – ACA believes the world’s most diverse forests should also be its best-studied forests. Since 2004, ACA’s Los Amigos Biological Station, has been one of the most active research stations in the Amazon Basin. In 2005, ACA also created the Wayqecha Cloud Forest Biological Station, Peru’s only permanent research center focused on Andean cloud forest ecology and management. In 2010, ACA created the Villa Carmen Biological Station focused on tropical sustainable agriculture research and extension programs for surrounding communities. To date, ACA has granted more than 160 research scholarships, and generally hosts over 400 researchers annually at ACA’s stations in Peru.

**AMAZON CONSERVATION ASSOCIATION AND AFFILIATE
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014
(continued)**

NOTE A – NATURE OF ORGANIZATION - continued

Program Services – continued

Science and Education – continued

ACA also aims to build the technical capacity of local citizens for conservation and sustainable management of natural resources, to strengthen regional capacity for environmental governance, and to ensure that the scientific results generated in its research stations reach decision-makers and the public. ACA's three biological stations have become centers for educational trips by local school children as well as leading training sites for local and international university groups. Additionally, ACA has trained teachers and more than 1,000 students a year, beginning in 2012.

Sustainable Livelihoods – ACA works to support communities' abilities to earn a living while protecting their natural resources. For example, since 1997, ACA's Brazil nut program has aided more than 500 Brazil nut harvesters, including many indigenous families, in gaining sustainable livelihoods while protecting over 1.8 million acres of rainforest through technical support, training, and certification. ACA also supports conservation-appropriate reforestation and agroforestry, microenterprises such as native fish farming, and community-based ecotourism. ACA is working to mitigate the impacts of infrastructure development in the southwest Amazon through the creation of the Manu-Tambopata Conservation Corridor, composed of a mosaic of conservation areas and sustainable use zones in the Madre de Dios region of Peru.

Threats and Solutions – Protecting the health of the Amazon requires understanding the larger forces at work in the region, identifying trends, and following threats as they emerge and develop. In 2015, ACA launched Monitoring of the Andean Amazon Project ("MAAP"), which merges a number of cutting-edge technologies to monitor deforestation in the Amazon in real time. The images are analyzed and findings are disseminated in an accessible, easy-to-understand format to policy makers, civil society, the media and the general public in a timely manner.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Consolidation

The consolidated financial statements include the accounts of ACA and ACCA (collectively referred to as the "Association"). Because they are under common control, these organizations have been consolidated as required under accounting principles generally accepted in the United States of America. All material intercompany accounts and transactions have been eliminated in the process of consolidation.

Reclassifications

Certain amounts in the 2014 financial statements have been reclassified to conform to the 2015 presentation.

**AMAZON CONSERVATION ASSOCIATION AND AFFILIATE
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014
(continued)**

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Basis of Accounting

The Association prepares its consolidated financial statements on the accrual basis of accounting. Revenue and related assets are recognized when earned, and expenses and related liabilities are recognized as the obligations are incurred.

Cash and Cash Equivalents

The Association considers demand deposits, money market funds and investments purchased with an original maturity of three months or less to be cash and cash equivalents.

Foreign Currency Transactions

The Association records transactions of ACCA denominated in a foreign currency at the United States dollar equivalent as of the date of the transaction. Assets and liabilities of ACCA denominated in a foreign currency are revalued by the Association in United States dollars at the current exchange rate as of the consolidated statement of financial position date. Any resulting foreign currency gain or loss is recorded in the accompanying consolidated statement of activities as net unrealized foreign currency exchange gain or loss, as applicable. Realized and unrealized foreign currency exchange gain is considered non-operating and is presented separately in the statements of activities.

Accounts and Grants Receivable

Accounts and grants receivable are stated at the amount management expects to collect from balances outstanding at year end. Annually, management determines if an allowance for doubtful accounts is necessary based upon review of outstanding receivables, historical collection of information, and existing economic conditions. Accounts deemed uncollectible are charged off based on specific circumstances of the parties involved. As of December 31, 2015 and 2014, management believes all receivables are fully collectible within a year or less; and therefore, no provision for allowance for doubtful accounts is deemed necessary.

Financial Statement Presentation

Financial statement preparation follows Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) topic Not-for-Profit entities. In accordance with the topic, net assets, revenue, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Association and changes therein are classified and reported as follows:

Unrestricted Net Assets - Net assets not subject to donor-imposed restrictions

**AMAZON CONSERVATION ASSOCIATION AND AFFILIATE
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014
(continued)**

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Financial Statement Presentation - continued

Temporarily Restricted Net Assets - Net assets subject to donor-imposed restrictions that may or will be met by either actions of the Association and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the statement of activities as net assets released from restrictions.

Permanently Restricted Net Assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Association. As of December 31, 2015 and 2014, the Association had no permanently restricted net assets.

Property and Equipment

Property and equipment purchased with a useful life greater than one year and are valued in excess of \$500 are capitalized and recorded at cost, and estimated fair value, if donated. Leasehold improvements are capitalized at cost and amortized over the lesser of the remaining life of the lease or the life of the asset. Depreciation is recorded using the straight-line method over the estimated useful lives of the assets as follows:

Computer software	3 years
Furniture and equipment	5-7 years
Vehicles	5 years
Buildings and leasehold improvements	15-39 years

Revenue Recognition

Grants and unconditional contributions are recorded when awarded or pledged and classified as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions. Temporarily restricted grants and contributions whose restrictions are fulfilled in the same period are recorded as unrestricted support in the consolidated statements of activities. Allowance is made for uncollectible contributions based upon management's judgment, past collection experience and other relevant factors. Management believes all promises to give are fully collectible and no provision for doubtful promises to give is necessary.

Contracts revenue is treated as exchange transactions, in which revenue is earned when eligible expenditures, as defined in each contract, are incurred. Funds received but not yet earned are recorded as deferred revenue.

Research facility income is recognized upon the rental of space in the research facility.

Program services revenue is recognized in the year in which the program activity occurs.

**AMAZON CONSERVATION ASSOCIATION AND AFFILIATE
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014
(continued)**

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

In-kind Contributions

The Association recognizes in-kind contributions that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. In-kind contributions are recorded at fair value. For the years ended December 31, 2015 and 2014, in-kind contributions for legal services totaled \$90,394 and \$97,650, respectively. Additionally, for the years ended December 31, 2015 and 2014, donated technical services in geographic information systems totaled \$8,048 and \$20,203 respectively, and donated rent totaled \$12,152 and \$6,076, respectively.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among programs and supporting services benefited. General and administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the over-all support and management of the Association.

International Financial Reporting Standards Conversion

Certain disparities exist between current International Financial Reporting Standards (“IFRS”) and U.S. GAAP. ACCA’s financial statements are reported in accordance with IFRS, therefore, conversion of ACCA’s financial statements to conform to U.S. GAAP resulted in certain reclassifications, and are reflected in the accompanying consolidated financial statements.

NOTE C – INCOME TAXES

ACA is a 501(c)(3) organization, and is recognized as exempt from federal income tax, under Section 501(a) of the internal revenue code. ACA is, however, subject to tax on business income unrelated to its exempt purpose. ACCA is subject to income tax laws in Peru. Certain registry requirements are imposed in Peru and are applicable to and met by ACCA. During 2015 and 2014, ACCA did not qualify under Peru’s government tax laws to be exempt from general sales tax.

**AMAZON CONSERVATION ASSOCIATION AND AFFILIATE
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014
(continued)**

NOTE C – INCOME TAXES – continued

ACA believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the consolidated financial statements. Management of ACCA believes ACCA meets taxing authority requirements and no additional liability or disclosure is required to the consolidated financial statements.

ACA's information returns are subject to examination by the Internal Revenue Service (“IRS”) for a period of three years from the date they were filed, except under certain circumstances. The Association's Form 990 information returns for the years 2011 through 2013 are open for a tax examination by the IRS, although no request has been made as of the date of these consolidated financial statements.

NOTE D – GRANTS RECEIVABLE

The following schedule summarizes the grants receivable as of December 31:

	<u>2015</u>	<u>2014</u>
Expected payments from grants receivable:		
Less than one year	\$ 848,404	\$ 1,171,568
Greater than one year	55,000	400,000
Total Grants Receivable	<u>\$ 903,404</u>	<u>\$ 1,571,568</u>

The Association believes that all amounts will be received when due. Therefore, no allowance for doubtful accounts was established as of December 31, 2015 and 2014.

NOTE E – PROPERTY AND EQUIPMENT

Property and equipment consists of the following as of December 31:

	<u>2015</u>	<u>2014</u>
Land	\$ 613,445	\$ 685,928
Buildings and leasehold improvements	1,055,837	1,180,592
Furniture and equipment	344,768	347,258
Vehicles	130,745	124,467
Construction in progress	-	268,425
	<u>2,144,795</u>	<u>2,606,670</u>
Accumulated depreciation and amortization	<u>(752,823)</u>	<u>(728,741)</u>
Property and Equipment, Net	<u>\$ 1,391,972</u>	<u>\$ 1,877,929</u>

Depreciation and amortization expense totaled \$110,604 and \$116,602 for the years ended December 31, 2015 and 2014, respectively.

**AMAZON CONSERVATION ASSOCIATION AND AFFILIATE
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014
(continued)**

NOTE F – TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets were designated by donors for the following purposes as of December 31, 2015 and 2014:

	2015	2014
Protecting habitat	\$ 985,204	\$ 1,026,841
Science and education	1,037,488	1,312,099
Sustainable livelihoods	330,118	687,038
Threats and solutions	91,075	246,509
ACCA donations	655,854	474,613
Total	<u>\$ 3,099,739</u>	<u>\$ 3,747,100</u>

NOTE G – OPERATING LEASES

The Association leases facilities in the United States, Bolivia and Peru with varying lease terms ending in 2016 and 2020. Rent expense for the years ended December 31, 2015 and 2014 totaled \$131,841 and \$107,883, respectively. The future minimum payments of operating leases under non-cancelable lease agreements are as follows for years ending December 31:

2016	\$ 105,148
2017	83,612
2018	83,612
2019	83,612
2020	83,612
	<u>\$ 439,596</u>

NOTE H – CONCENTRATION OF RISK

The Association's cash is comprised of amounts in accounts at various financial institutions both in the United States and Peru. Although the amount at a United States bank may exceed the amount guaranteed by the Federal Deposit Insurance Corporation ("FDIC") at times, the Association has not experienced, nor does it anticipate, any loss of funds. As of December 31, 2015 and 2014, the amount in excess of the United States FDIC limit was \$1,283,283 and \$1,707,296, respectively.

As of December 31, 2015 and 2014, the Association maintained a total of \$623,012 and \$517,221 in foreign financial institutions, respectively, which is not insured and is subject to foreign currency fluctuations and potential bank failure. The Association periodically assesses the financial condition of the institutions and believes that the risk of any loss is minimal.

**AMAZON CONSERVATION ASSOCIATION AND AFFILIATE
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014
(continued)**

NOTE I – RELATED PARTY TRANSACTIONS

ACA's president was also the Vice President of Programs for the Blue Moon Fund ("Blue Moon"), one of the Association's major funders, until August 1, 2015, when ACA's president became the Executive Director of the Anders Amazon Fund. ACA's president does not derive any personal benefit from these relationships, and has not and does not exert any unfair influence on the allocation of funds donated to ACA by either of the two entities.

During 2015, ACA's Board Treasurer became a program officer at the MacArthur Foundation, however the Board Treasurer recuses themselves from any decisions relating to ACA.

NOTE J – RETIREMENT PLAN

The Association established a qualified 403(b) Savings Plan covering eligible employees. The Association matches dollar for dollar of up to five percent of deferred compensation on behalf of each participant subject to the limitations established by the Internal Revenue Code. The Association's matching contributions for the years ended December 31, 2015 and 2014, totaled \$20,670 and \$17,702, respectively.

NOTE K – SUBSEQUENT EVENTS

In preparing these consolidated financial statements, the Association's management has evaluated events and transactions for potential recognition or disclosure through October 17, 2016 the date the consolidated financial statements were available to be issued. There were no additional events or transactions that were discovered during the evaluation that required further disclosure or recognition.

SUPPLEMENTAL INFORMATION

Independent Auditor's Report
on Supplementary Information

To the Board of Directors of the
Amazon Conservation Association and Affiliate
Washington, D.C.

We have audited the consolidated financial statements of Amazon Conservation Association (“ACA”) and its affiliate, collectively referred to as the “Association”, a nonprofit organization, as of and for the years ended December 31, 2015 and 2014, and our report thereon dated October 17, 2016, which expressed an unmodified opinion on those consolidated financial statements, appears on page 2. Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating information in the four schedules on pages 18 through 21 are presented for the purposes of additional analysis of the consolidated financial statements rather than to present the financial position, results of operations, and cash flows of the individual companies, and it is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.
