

ASOCIACIÓN PARA LA CONSERVACIÓN
DE LA CUENCA AMAZÓNICA

BIOLOGICAL STATIONS RESEARCH APPLICATION

Please complete the following information and send this information to the respective science coordinator of the station you want to visit with your resume and a presentation letter.

Name:	
Institution:	
Address:	
City:	
Country:	
E-mail Address:	
Phone Number:	
Conservación Amazónica–ACCA stations you will visit:	
Anticipated arrival date:	
Anticipated exit date:	

Education:

University	Grade	Date

This work will serve to obtain the grade of:

Bachelor Master PhD in:

Study field or professional interests

Fungi Plants Invertebrates Fish Amphibians Reptiles Birds
 Mammals Soils Geology Anthropology Ecology Systematic
Animal Behavior Physiology Genetics Forest management
Ethnobiology Conservation Geography GIS

Project description (5 pages, single-spaced)

1. Title
2. Introduction
3. Project goal and specific objectives.
4. Justification of Study
 - *Additional to your justification please indicate the category or categories linked to conservation purposes that your study will address:*
 - Sustainable livelihoods (i.e. ecotourism, agriculture, Brazil Nut collection, etc.)
 - Climate change
 - Restoration
 - Biodiversity (i.e. species distribution)
 - Genetics
 - Impacts of threats
 - Ecosystem dynamics
5. Scientific Questions (Numbered)
6. Hypothesis
7. Detailed Methodology
8. Expected Results
9. Expected Products.
 - *Please indicate the main final product you intend to obtain (i.e. Report, Thesis, Scientific article, Web Page, other).*
10. Appendix 1: List of materials needed
11. Appendix 2: Timeline

Additional Questions

1. Do you plan to need an assistant, if so how many?
2. If your project lasts for more than one month will you be willing to have a Peruvian student as a field assistant?
3. Do you need help from Conservación Amazónica–ACCA to find field assistants?
4. Will you need help to make and submit your SERFOR (ex DGFFS) permit?
5. Will your project require any special equipment or storage?

6. How will your project be funded?
7. If you intend to publish your findings in a scientific journal, please state the journals to which you will be sending your manuscript.
8. Would you like to present a lecture to students in Peruvian universities or schools in Lima, Cusco or Puerto Maldonado? Conservación Amazónica–ACCA can make the arrangements for this.
9. How did you learn about Conservación Amazónica–ACCA and their research stations?
10. Will you be willing to write a 250 word text (with three pictures) with your research topics and results for our blog?
